What are we doing on Sunday's? Worship On Wheels Drive - In Service

Is this service safe and in keeping with COVID19 safety guidelines? The service requires no physical contact. The Mayor's Office and Police Department are both aware and supportive of our hosting these services in this way so long as we respect the guidelines.

When will we re-open our Sanctuary? We will not re-open our sanctuary until it is reasonable and safe to do so and we have a plan in place to ensure your comfort and freedom.

Will we continue our drive-in services when we re-open? Yes. As of now Pastor Allen is working with church leadership to establish how we will continue to offer the drive-in services going forward.

Will we celebrate our Church's 89th Anniversary? Yes! We have a tentative commitment from Pastor Lloyd D. Hayes to fellowship with us and preach our drive-in service, Sunday, May 17, 10:45 a.m.! Also, those of you who are able, may join me in bringing an \$89 birthday gift for our church or whatever the Lord leads you to give. These donations will go toward our mortgage liquidation account.

How can you help me celebrate my birthday on May 25th? By simply joining me for service on Sunday, 24th from your home or cars to praise God for granting me another year of life!
