

Staying Connected During COVID-19 Pandemic

What are we doing on Sunday's? Worship On Wheels Drive - In Service.

Is this service safe and in keeping with guidelines? The service requires no physical contact. The Mayor's Office and Police Department are both aware and supportive of our hosting these services in this way so long as we stick to the guidelines. Masks are required for all staff persons and volunteers who assist with the services.

When will we re-open our sanctuary? We will not re-open our sanctuary for worship until it is reasonable and safe to do so and we have a plan in place to ensure your comfort and freedom upon re-entry. As of now, the pastor is in weekly conversations with the Mayor and representatives of the State Health Department to remain informed of the best practices and guidelines for public gatherings.

Are we receiving new members? Yes. I am proud and pleased to announce that two persons, Sisters Ada Mitchell and Phyllis Ann Payne have joined our church during this pandemic. We are devising a way for people who want to join going forward to be able to submit their request online, via Facebook.

How are we conducting funerals and weddings?

We do our best to minister to our members during these intimate occasions, while considering the guidelines established by the Health Department to protect your/our well-being.

Sunday, August 30th is
officially
"Dudley Day"

Join us in showing appreciation to Reverend Eric Dudley, a model servant of God among us. Drive-by tribute to take place immediately following 10:45 a.m. service
